KITCHEN COMPANY

HIGHEST QUALITY, ON BUDGET

Trade kitchen manufacturers can be expensive.

A little too expensive for our taste.

Then again, some will offer reduced prices but ask you to compromise on the quality and service.

We believe it's time for a new product that embodies best-in-class design and quality, yet priced within the realistic budget reach of property developers across the UK.

Welcome to Wolfstone Leigh.

OUR STORY

At Wolfstone Leigh, our journey begins with a shared passion and a wealth of experience in the world of property development.

Our journey has been shaped by our dedication to crafting kitchens that go beyond functionality. We understand the intricate nuances of property development, and our expertise extends beyond just kitchen design. With our combined deep understanding and passion for all areas of aesthetics and design, we have worked alongside property developers, interior designers, architects, and sales agents, navigating the complexities of property development marketing and sales with finesse.

It is this wealth of knowledge and focused experience that unites us as a team. We are a collective of highly skilled individuals driven by a shared commitment to excellence. We bring our expertise together under the Wolfstone Leigh banner, aiming to revolutionise the landscape of premium kitchens for property developers and their buyers alike.

WHAT MAKES GOOD KITCHEN DESIGN?

Good kitchen design is more than just aesthetic appeal; it's about seamlessly blending lifestyle and function.

At Wolfstone Leigh, we begin by delving into how our developers' clients envision using their space. Understanding their lifestyle is key—whether it's a space for family gatherings, culinary creations, or social entertainment. It's about crafting a design that marries these aspirations with the practicality and efficiency needed for everyday use.

From the layout to the finishing touches, we tailor every aspect to ensure a kitchen that not only looks stunning but enriches their daily living experience.

INTRODUCING THE COLLECTION

Wolfstone Leigh presents a versatile collection tailored to meet the unique demands of various homes and developments.

From the timeless elegance of Broadway's Shaker style kitchens to the sleek sophistication of Quadra's Slab style, our range encapsulates a spectrum of design possibilities. Trueline's True Handleless kitchens embody premium design with their seamless aesthetics, while Contour's J-Pull style kitchens offer a contemporary edge.

Each style represents a different facet of modern living, ensuring that every property, from traditional homes to urban residences, finds its perfect match in our diverse kitchen range.

BROADWAY

OUR CLASSIC SHAKER KITCHEN RANGE

BROADWAY SHAKER KITCHENS

ELEGANCE MEETS TIMELESS DESIGN

Discover the essence of timeless elegance with Broadway, our stylish Shaker-style trade kitchens.

These kitchens effortlessly merge classic craftsmanship with contemporary functionality, creating spaces that withstand the test of time. Versatile and sophisticated, they seamlessly adapt to both traditional and modern schemes, embodying durability and timeless appeal.

Crafted with precision and an eye for endurance, our Shaker kitchens are designed to meet the rigours of daily life. Utilising top-quality materials and meticulous construction, they promise to remain both visually stunning and functionally efficient for years to come.

The appeal of Shaker kitchens lies in their adaptability to various design styles. With their clean lines and everlasting charm, they serve as an ideal choice for any home, offering a timeless aesthetic that remains an attractive focal point over time.

Personalise your Shaker style kitchen from a vast array of finishes, colours, and accessories. Our selection includes an extensive range of worktops, from luxurious quartz to resilient solid wood, all readily supplied and installed to meet your specific needs. Tailor your kitchen design to reflect the personality of your development, complementing the overall aesthetics of your homes.

Flexibility is key, which is why we offer two exceptional colour range options for your kitchens. Choose from our Wolfstone Leigh Core Colour Range, meticulously curated to suit a broad spectrum of aesthetics. Alternatively, if you prefer an individualised look, explore our premium palette by selecting colours from the prestigious Farrow & Ball and Little Greene paint collections.

Create an exclusive style and vision of your scheme.

FINISHING TOUCHES

In the realm of premium kitchen design, it's the meticulous details that set apart exceptional spaces.

At Wolfstone Leigh, we understand that the smallest finishing touches hold immense power. We meticulously craft every detail to elevate your kitchen from standard to extraordinary.

From elegant hardware and distinctive fixtures to bespoke colour palettes and refined materials, it's these details that define the key elements of differentiation in kitchen design.

With quality paramount in every aspect, we utilise only the finest materials, ensuring excellence in every detail. Our doors, crafted from 22mm Hydrofugo MDF, epitomise durability and sophistication. Each cabinet is meticulously constructed using EGGER board, paired with Blum soft-close doors and drawers, reflecting our commitment to delivering kitchens of unparalleled quality and performance.

WORKTOP OPTIONS

Elevate your kitchen's appeal with our premium range of quartz or solid wood worktops. Crafted from the finest materials, these surfaces offer durability and sophisticated aesthetics. With a wide range of colours and finishes, our worktops add an upscale touch, making your kitchens stand out in the marketplace.

HANDLE OPTIONS

Enhance your kitchen's design with our diverse collection of premium handles. From modern to traditional styles, each handle is chosen for its quality and design. These accents not only add functionality but also bring character and style to your kitchen, elevating its overall aesthetic appeal.

FINEST BRANDS, GUARANTEED

Equip your kitchen with top-tier brands like Bosch, NEFF, Miele, and Siemens. These appliances offer luxury, exceptional performance, and durability, further enhancing your kitchen's appeal. Elevate your development with appliances that resonate with maximum desirability for your buyers.

SINKS AND TAPS OPTIONS

Choose from our high-quality sinks and taps in ceramic, Belfast, composite, or stainless steel. Designed for durability and elegance, our options cater to various kitchen styles, ensuring your space reflects both practicality and sophistication.

THE POWER OF PERFECT COLOUR

Selecting the ideal colours for your kitchen design is a pivotal aspect of crafting an alluring space and influencing property sales.

Colours evoke emotions, define aesthetics, and create an atmosphere that resonates with your buyers.

At Wolfstone Leigh, we recognise the significance of this choice, understanding that the right colours elevate the entire kitchen's appeal and contribute significantly to property desirability.

OUR CORE COLOUR RANGE

Introducing our exclusive Wolfstone Leigh Core Colour Range – a meticulously curated palette that embodies versatility, sophistication, and universal appeal.

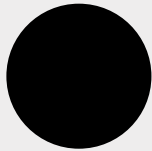

This range comprises a selection of hues carefully designed to complement our diverse design aesthetics. From timeless neutrals to bold statement shades, our Core Colour Range ensures a harmonious blend that enriches the visual appeal of your kitchen spaces. Its adaptability caters to various interior styles, seamlessly integrating with modern, classic, or transitional design schemes, thereby elevating the desirability of your properties.

BESPOKE COLOUR PALETTES

For those seeking a truly bespoke look, we offer the unparalleled advantage of matching your vision precisely.

Our bespoke palette extends beyond conventional options, allowing you to delve into the entire spectrum of colours within the renowned Farrow & Ball and Little Greene paint collections. This bespoke option empowers you to achieve perfection by precisely matching any desired shade, ensuring your kitchen reflects the exact colour you demand.

With the ability to tailor colours to the most intricate preferences, this bespoke palette brings a unique touch to each kitchen design, amplifying its appeal and distinctiveness.
